PROJECT NAME : A Personal Assistance for seniors who are self-reliant.

Create a Database in Cloudant DB:

The screenshot displays the Cloudant Dashboard interface. At the top, there's a navigation bar with a 'Database name' dropdown, a 'Create Database' button, and a user profile icon. Below this, the 'Your Databases' section contains a table with the following data:

Name	Size	# of Docs	Partitioned	Actions
medicinedata	26 bytes	1	No	[Add] [Edit] [Delete]
medicines	34 bytes	1	No	[Add] [Edit] [Delete]
noderedwuydx20221110	27.1 KB	5	No	[Add] [Edit] [Delete]

At the bottom of the dashboard, it indicates 'Showing 1-3 of 3 databases.' and 'Databases per page 20'. The Windows taskbar at the very bottom shows the time as 10:42 AM on 11/19/2022.
